

# BE THE MATCH<sup>SM</sup>

NATIONAL  
MARROW  
DONOR  
PROGRAM®

Leslie Victor of Murphy, Texas, was recently diagnosed with severe aplastic anemia, a rare bone marrow disease. She is a loving wife and mother of three children.

Leslie is receiving treatment at Methodist Richardson Cancer Center, affiliated with UT Southwestern Medical Center. She desperately needs a bone marrow transplant to save her life.

## What is required to be a donor?

- Eligible donors must be 18-60 years of age and in general good health.
- Willing to donate to any patient you might match.
- Registration involves completing a consent form and a simple cheek swab test.

## Help Us.

Join the Be The Match registry in honor of Leslie and others with similar life-threatening illnesses.

**You can join the registry online at [BeTheMatch.org](http://BeTheMatch.org).  
Be the one to save a life.**
